

FIRST SHORTHORN PRODUCTION SALE

Monday, February 6, 1967

KC SHORTHORNS

First Production Sale

**MONDAY
FEBRUARY 6, 1967**

at the farm

**KANSAS CITY
MISSOURI**

Big, thick cows like these are typical at KC. All of those pictured sell on February 6. From left are Westmere Primrose, Lot 56; Bar Mar Duchess 6th, Lot 45, and Macebearer Lavender 2nd, Lot 60.

Part of the enthusiastic KC promotion program was this display of Glamis Benefactor in the lobby of a Kansas City hotel during the American Royal. With the bull are Patricia and Dave Lorenz, KC owners. Gordon Philip, KC manager, is at the halter.

Part of the experienced farm crew at KC are, from left, Rob Leask, James Cassie, David Moncrief and Alistair Philip. David is from Georgia. All of the other men come from Scotland and have worked with some of the breed's best known cattle there.

WELCOME TO KC

Dear Friends:

KC could have held its first production sale three years ago. We have long had **numbers** sufficient for a sale.

However, when we took up the Shorthorn business seriously, we had "got our feet wet" and found we had made some mistakes. We determined definite policies which would guide us in our efforts.

Basic policy at KC dictates that our customers must get even a better breeding animal than they expect. We are proud of the record of performance KC Shorthorns have delivered to our customers. Consistent with this policy, we have usually shown the thinnest Shorthorns among those against which we have competed. In our book, a show animal that is not also capable of strong breeding performance is not the kind we will show!

Much of our private treaty business in recent years has been repeat business. Many first buyers have been brought here by their neighbors who are satisfied customers.

Since Gordon Philip came with us, we have shipped over 60 cows. Many of them cost a great deal of money . . . like \$4,200. We didn't like to ship them, but if they couldn't perform for KC, they had to go.

You may be surprised when you get here and see the **quality** in this our first production sale. Pedigrees of supreme value; widely recognized sires; famous service sires that cannot be equalled anywhere in the world today . . . much less on a single farm . . . individuals who look the part that their breeding entitles them to.

Finally, we don't ask you to come here to buy. We ask you to come here and COMPARE . . . quality. We invite you to visit us and enjoy our hospitality Sunday and Monday, February 5th and 6th.

Cordially,

Dave and Pat

Dave and Patricia Lorenz

P.S. If you can find a better sale offering anywhere . . . you travel more than we do. This is of tremendous personal importance to us, and we have dug deep into the herd as you will see.

Cows of exceptional scale, stamina and quality populate the lush pastures at KC.
Who wouldn't be proud to have one of these as the dam of his stock bull?

General Sale Information

TIME AND PLACE: Monday, February 6, 1967, at KC Shorthorn Farms, Kansas City, Mo. KC is located on Highway W, one mile north of the junction of U.S. 71 (I-29) and Highway W (the Kansas City-St. Joseph Road). The sale will begin promptly at 12:30 p.m.

TRANSPORTATION: Kansas City is easily reached by any mode of transportation. For complete details see page 6.

HOTEL ACCOMMODATIONS: Sale headquarters will be the Howard Johnson's Motor Hotel at the junction of Interstate 29 and 35, 1600 Russell Rd., North Kansas City, Mo., 64116. Reservations may be made directly to the hotel, to the sale manager or to the personnel of KC Farms.

DINNER: Plan to be the guests of KC Farms on Sunday, February 5, at a buffet dinner to be held at 6 p.m. in the Gold Buffet in North Kansas City, only one and one-half miles from the Howard Johnson Motor Hotel. Reservations are not necessary.

AUCTIONEER: Dick Kane, Wisner, Neb.

GUARANTEE: All cattle will be sold under the standard guarantee endorsed by the American Shorthorn Ass'n.

HEALTH: All cattle will be sold under the laws of Missouri. Official calfhood vaccination of females is practiced and the herd is accredited. See the statement of the herd veterinarian on page 7. All females in calf for six weeks or more will be pregnancy checked and all bulls over 12 months will be semen checked. The most careful herd health standards are maintained and the cattle in the sale are eligible to travel to any herd in the world.

TERMS: The terms of this sale are cash. Checks should be handed to the clerks immediately following the auction. Please be sure to have the clerks record your shipping instructions and transfer information.

LIABILITY: KC Shorthorn Farms, its owners or employees accept no liability for accidents that may occur. Mishaps at cattle sales are very rare, but all attending must do so at their own risk. The sale manager, auctioneers, ringmen and clerks were employed by the owners for specific tasks, promotional and clerical, and have no connection with the handling of the cattle, the condition of the premises, fulfillment of guarantees or status of health papers. The sale of each animal constitutes a contract between the buyer and seller of each lot, but the sale manager cannot be responsible for the fulfillment of that contract. Where footnotes appear in the catalog, they were written by the owners or employees of KC Farms or from information provided by them.

LUNCH: The North Platte County 4-H Mothers will provide a hot meal on sale day and light refreshments the day before.

FURTHER INFORMATION: The farm manager or sale manager will be happy to give you his critical appraisal of any of the cattle selling. A supplemental sheet will be provided on sale day showing breeding dates and any other necessary information. All announcements from the auction block supercede any other information, written or oral.

MAIL BIDS: We hope it will be possible for you to attend this sale. If not, mail or telephone bids may be directed to any of the following:

C. D. Swaffar, executive secretary, American Shorthorn Ass'n, 8288 Hascall St., Omaha, Neb. Tel: (402) 393-7200.

Harris Simons, The Shorthorn World, 16 S. Locust St., Aurora, Ill. Tel: (312) 896-8511.

E. H. Stoltz, executive secretary, Canadian Shorthorn Ass'n, Gummer Building, Guelph, Ontario, Canada. Tel: (519) 822-6841.

Bill Stunkel, The Shorthorn World, 1228 N. Nye Ave., Fremont, Neb., 68025. Tel: (402) 721-7254.

Warren Morse, The Drovers Journals, 1505 Genesee St., Kansas City, Mo. Tel: (816) VI 2-5980.

C. K. Tomson, Harding & Harding Livestock Insurance, Geneva, Ill. Tel: (312) 232-2100.

Al Hamann, Rock Rapids, Iowa. Tel. (712) 472-8676.

Milton Nageley, Abilene, Kansas. Tel: Acme, Kan. 305.

R. G. "Bob" Heine, American Shorthorn Ass'n, 2729 Simms St., Lakewood Colo. Tel. (303) 238-6045.

Any of these reliable men can be reached at the sale headquarters or KC Farms within 24 hours of the sale.

INSURANCE: Will be available.

DELIVERY OFFER: All purchases in the sale will be delivered to central locations at a cost to the buyer not to exceed \$50 by KC Farms at a convenient date following the sale. The delivery points are the following: Chicago, Ill.; Cleveland, Ohio; Charlottesville, Va.; Louisville, Ky.; Omaha, Neb., and Ft. Cobb, Okla. All cattle are at the buyer's risk as soon as bid off, although every precaution will be taken for their safety. We strongly advise that each purchase be insured with the representatives who will be attending the sale.

TELEPHONES: Gordon Philip (816) JU 7-1007. Dave Lorenz (816) JU 7-1003 or JU 7-1004. Dave Lorenz office (816) JE 1-6836 or JE 1-4803.

HARRIS SIMONS, Sale Manager
16 S. Locust St., Aurora, Illinois 60506 Tel: (312) 896-8511

From the Sale Manager

Since its inception, no herd has been watched more carefully than KC. That their foundation is powerful is acknowledged. Great females from throughout the world populate the pastures including most of the famed Saltoun herd and a large draft from Kelburn. The stock bulls could well be the greatest ever assembled for one herd in the history of the breed.

Beyond that is a spirit of friendship between owners and manager that is devoted to getting the job done, not only for KC but also for the entire breed. KC efforts on a promotional front have been tireless — from farm and ranch publications to the mighty Life magazine itself, KC Shorthorns and Polled Shorthorns have been universally publicized.

Now, for their first sale, they have made the supreme effort. The entire show herd sells! Stock bulls destined for future service in the herd sell! Great imported and domestic cows sell! International champions sell! And behind them all stands the firm KC guarantee of satisfaction and continuing interest in both the buyer and the breed.

Come to KC on February 5 and 6. You'll have the time of your life and be able to buy from one of the finest sale offerings ever assembled.

HARRIS SIMONS
The Shorthorn World

Part of the powerful, impressive cow herd with KC's herd sire, Kelburn Great Event, whose service will be a feature in the herd's first production sale February 6.

TRANSPORTATION and ACCOMMODATIONS

KC Shorthorn Farms are easily reached by any mode of transportation. As you can see on the adjoining map, Kansas City is served by Interstate Highways 35, 29, and 70. The farm itself is located on Highway W, 1 mile north of US 71 (I-29) and W, the Kansas City-St. Joseph Road.

The Kansas City Municipal Airport is nearby, as is the Howard Johnson Motel, sale headquarters. Upon arrival at air or train terminals, visitors may take Howard Johnson courtesy cars to the sale headquarters. If you miss connections, call the farm and a KC representative will meet you. The farm phone number is (816) JU 7-1007.

To Whom It May Concern:

I have attended the cattle at KC
Shorthorn Farms from its beginnings years
ago.

The cattle are healthy and in good
breeding condition.

KC Shorthorns have recently become
an Accredited Herd, Certification No. 207.

Yours truly,

I. J. Twiehaus, D.V.M.

STATEMENT BY KC MANAGER GORDON PHILIP

It has been my pleasure to be with KC Farms for six years. Our management program is, above all, practical in every way. Our cow herd is maintained on the pastures year 'round.

Young bulls at KC are fed a growing ration, not a fattening ration. They are in large lots, encouraged to exercise and develop strength and virility. Our aim is to produce stock bulls with scale and character for the improvement of Shorthorns and Polled Shorthorns everywhere.

No expense or effort has been spared in selecting top individuals, and in turn, any animal not able to maintain herself and raise a calf each year has been shipped.

I have been fortunate in having no restrictions in the selection of our herd bulls which play a big part in our program today.

We are breeding for size, character, muscling, bone and fertility.

Gordon Philip

COME ON OUT — THE WEATHER WILL BE FINE

On March 30, 1966, KC received the following report from its long-range weather forecasters. "The weekend of February 4-5-6, 1967, will have warmer than normal temperatures over the country both before and after. A relatively weak cold front is expected about Saturday which will probably bring minor precipitation."

On November 9, 1966, the weather men said "In reference to that week preceding February 6th, it still looks good. Temperatures are expected to be around 35-45 in the daytime and 10-20 at night. Precipitation during this period will be practically non-existent except for a chance of some flurries around the 3rd and 5th."

In other words, the weather should be fine. Come on out. You'll have a whale of a time.

BE OUR GUEST

You are cordially invited to come as early as you like the week preceding the sale. But by all means plan to be there early on Sunday, February 5. There is much to see both in the large sale offering and the extensive Short-horn and Polled Shorthorn herds. There'll be plenty of hot coffee and sandwiches and we'll try to make your visit as comfortable and enjoyable as possible.

Do plan to be the guest of KC at a buffet dinner at 6 p.m. February 5 in the Gold Buffet in North Kansas City, just one and a half miles from sale headquarters. We look forward to seeing you!

KC

**has shown three times at the Missouri
State Fair and exhibited the
GRAND CHAMPION FEMALE
on each occasion**

Here are a few of the brood cows on summer pasture at KC. The stock bull is the \$36,000 Louada Nugget.

KC Farms: Dedicated to Breed

KC Farms are located in Kansas City, Missouri, very near the municipal airport. The main cow herd is on the old Roanridge Farm which was noted for its Shorthorns during the time of Sni-A-Bar. The farms consist of 500 acres which are in blue grass and improved pasture mixes. About 120 acres of alfalfa from an adjoining farm are put up as haylage. No corn or other cereal grains are grown.

The herd includes close to 100 breeding females which have been assembled with great care from throughout the world. Primary among them is a large draft from Scotland's famed Saltoun herd. With their descendants, there are now nearly 50 Saltouns in the herd.

Improvement

Until this year, sales have largely been at private treaty on the farm. In addition, about 20 bulls are grown out under range conditions. They have been in excellent demand with western and southern breeders and ranchers. The remainder of the range bulls have been exhibited in the yards at the National Western in Denver where they have been champion pen on each occasion, selling for an average of \$1,030 a head.

The cattle run outdoors the year 'round. When grass is short or snow is heavy, haylage is fed. Calves run with their mothers until they are seven months old. Only the show calves receive additional milk from nurse cows. No creep feeding is done until fall at which time whole oats is fed.

Under these practical conditions of development, KC Shorthorns and Polled Shorthorns prosper. We are confident that those selling on February 6 will do well for their new owners.

Each of these promising young heifers sells on February 6. From left are Rothes Flower 2nd of KC, Lot 29; Princess Ruby of KC, Lot 26; Princess Mayflower 5th of KC, Lot 39; Princess Pearl of KC, Lot 33, and Rosewod Flair of KC, Lot 28.

KC exhibited the grand champion pen of three Shorthorn bulls at the 1966 National Western Stock Show in Denver. The second year KC has won this high award.

Grand champion pen of three bulls at the National Western in 1965 were these from KC Shorthorn Farms.

Secret Lilly of KC by Glamis Benefactor was International junior champion and reserve junior champion of the American Royal to a KC stallmate. She sells as Lot 22.

The senior get-of-sire by Glamis Benefactor won consistently throughout the year including firsts at the Mid-America, Kansas and Missouri State Fairs, and second at the American Royal. They all sell!

Here is the 1966 Record of KC's Sons

Reserve grand champion female of the 1966 National Western Stock Show was Scottish Buttercup 3rd of KC by the \$36,000 Louada Nugget. She was All-American champion female of the year.

December 12, 1966

Mr. Dave Lorenz
KC Shorthorns
Rural Route 28
Kansas City, Missouri 64154

Dear Mr. Lorenz:

Our calves sired by Glamis Benefactor continue to develop and we are just as pleased with them as yearlings as we were when they were calves. It seems that Glamis Benefactor has nicked well with the different cow families we have in our herd. In the limited number we have, the bull calves averaged over 500 pounds at 190 days of age and were rated very high as to type. We were pleased with the results when we entered one senior bull calf sired by Glamis Benefactor at the South Dakota State Fair. This calf won first place in the class and was Reserve Junior Champion.

We want to thank you for your interest in continued improvement of the University herd. Glamis Benefactor greatly impressed me as a modern type Shorthorn bull. For this reason, I requested that the University be allowed to use some semen. Your donation is really appreciated as the results are aiding in our teaching of animal science students and promoting the very deserving breed of Shorthorn cattle.

Sincerely yours,

W. C. McCone

Mr. Gordon Philip, Manager
K C Shorthorns
Rural Route 28
Kansas City, Missouri 64154

Dear Gordon:

Glamis Benefactor is a modern type bull. He is a large rugged, smooth, well balanced bull, that has great head carriage, and is an excellent walking bull. As far as his individuality is concerned, he is a rare specimen, and is certainly one of the most outstanding bulls I have ever seen.

We hope that the K C Shorthorns have a very successful year.

Yours truly,

Don L. Good

THE CHORANCH

Corrie and Fred Tilden

P.O. BOX 472 WINTER GARDEN, FLORIDA

Dear Dave, Pat & Gordon:

June 3, 1966

You might like to see what KC Control looks like after a couple of years in Florida. These snapshots were taken April 8, 1966 when Control was ten days short of being 3 years and 7 months old. On that day he weighed 2,036 pounds and was turned in with these daughters of Northwood Rosewood Jet.

Control has fulfilled his promise of growing into a massive, thick, well-balanced ton bull. The only surprise is that he did it at an earlier age than anticipated. His growing up included adjusting with no difficulty to our Florida conditions, and siring two crops of fine calves. He is passing on his thick fleshing and good balance to his calves. We are especially hopeful of something real good by him out of Jet's daughters.

Best wishes for a warm, bright day for your first sale.

Sincerely,

Fred Tilden

ENCLOSURES

Dear Gordon,

Word of your sweeping successes with the progeny of GLAMIS BENEFACITOR has just reached us here. Drew and I immediately want to send our Hearty Congratulations to you all at KC. It is great work, and we are proud to be the breeders of a Bull which has done such a great job. Ever since the day BENEFACITOR was born, and Jimmy Dickson said "he looks good to me" we have at no time been in any doubt about the qualities he carried. His performance at the Shows in this Country have still to be equalled, and we are delighted with the way he is continuing his name in your Country.

We are also delighted to hear, Gordon, that Herman Purdy has purchased an interest in BENEFACITOR. When we hear of a "Cattleman" with the abilities of Herman taking an interest in a bull, we can rest assured that it is no "ordinary" Bull.

Drew and Jimmy Dickson join me in sending renewed Congratulations, and long may the good work carry on at K.C.

Kindest regards to All at KC.
Yours sincerely,

Bob Adams

Dea. Jave:

Just a note to tell you that our Benefactor calves are really developing into outstanding individuals. They are all very correct, with ample size and muscling.

I have told my people that Benefactor is, in my opinion, the best bull of any breed I have ever seen. The judging team was very favorably impressed when they saw him in October.

We have all of our Shorthorn cows bred to Benefactor for next year's calving.

Sincerely,

HRP/B

GLAMIS BENEFACTOR
The undefeated supreme champion of Great Britain

CALROSSIE DIADEM, the sire of Glamis Benefactor, was Perth junior champion and sired four consecutive Perth supreme champion and/or top-selling bulls.

DENEND BONNIE BUCHLYVIE was reserve senior champion at Perth before being exported to Argentina. He is a son of Glamis Benefactor.

The Sire of **GLAMIS BENEFACTOR**

Glamis Benefactor has been acclaimed throughout the world as a great show and breeding bull. The richness of his pedigree gives added assurance of the prepotence of his calves.

For example, Glamis Benefactor is by Calrossie Diadem, the powerful stock bull that sired four consecutive supreme champion and/or top-selling bulls at Perth when he was used by R. M. Adam and Son of Glamis.

Later exported to the United States, Diadem is now owned by Bilmar Farms, Durand, Mich., Mrs. Hugh Fenwick's Boll Weevil Plantation, Waynesboro, Ga., and Michigan State University. Among others, he sired the top-selling bull in the U.S. in 1964; the 1965 All-American senior get-of-sire and International reserve grand champion female and reserve junior champion bull and a host of others.

Glamis Benefactor's dam is acclaimed as one of the great cows of all time. She is Glamis Helga Broadhooks by Perth reserve supreme champion Kair Masterkey. Among others, she produced Glamis Don Carlos, Perth junior champion sold to Capt. R. S. DeQuincey at \$13,500 for the mighty Erimus herd.

GLAMIS DON CARLOS was Perth junior champion and sold at about \$13,500 to R. S. DeQuincey for the Erimus herd in Scotland. Don Carlos is out of the same cow as Glamis Benefactor.

Benefactors Sweep the Shows!

Glamis Benefactor, as undefeated supreme champion of Great Britain, compiled a show record without parallel in modern breed history. Yet his accomplishments as a breeding bull are equally outstanding. In the major shows of the year at which KC exhibited, his junior get-of-sire was undefeated and there are scores of champions and first-prize winners as well. See the complete listing on pages 12 and 13. Pictured here are just a few of his winning progeny. They all sell February 6!

The pair of females by Glamis Benefactor was undefeated in five consecutive shows and second at the International. They both sell. From left are Miss Ramsden of KC, Lot 23, and Secret Lilly of KC, Lot 22.

The junior get-of-sire by Glamis Benefactor was undefeated throughout the year at the International, American Royal, Illinois, Kansas, Missouri and Mid-America State Fairs. From left are KC Prince Regal, Lot 1; KC Armada, Lot 9, and Secret Lilly of KC, Lot 22.

The pair of calves by Glamis Benefactor was undefeated at five consecutive shows including the American Royal and was second at the International. From left are Rothes Queen Fran of KC, Lot 24, and KC Prince Regal, Lot 1.

GLAMIS BENEFACTOR

A Great Show Bull

A Greater Breeding Bull

Much has been written about Glamis Benefactor as a show bull. Because no KC catalog would be complete without it, we repeat it here briefly. Benefactor was the undefeated supreme champion of Great Britain in 1962 and is the only bull ever to win both the Perth and Royal Highland supreme championship in one year. He then went on to sweep seven other shows.

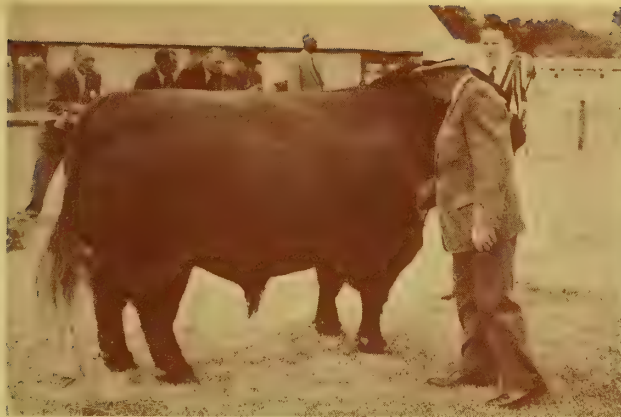

He is from the famed Calrossie Broadhooks family that has produced long and well for both Calrossie and Glamis. A full sister to his dam produced the Perth champion of 1962 and his dam produced a Perth reserve senior champion. The grandsire, Kair Masterkey, was Perth reserve supreme champion. Also note that the famed Calrossie Baronet was a full brother to Calrossie Hilary Broadhooks, the fourth dam in Benefactor's pedigree.

The year 1966 marked the first time that a full show herd of Benefactor sons and daughters was exhibited. The results were amazing. They are listed in full on pages 12 and 13 and we do not repeat them here.

The important thing is that now Benefactor is proved as great a sire as his heritage, conformation and show record promise he could be.

Here is history in the making. Future generations will undoubtedly look to Benefactor with the same respect and admiration that have been accorded to only a handful of bulls in the last century.

Calrossie Constellation, the 2,400 pound sire that contributed so much to Shorthorns and Polled Shorthorns everywhere. Among others, he sired Bapton Constructor used with great success by Louada, KC and Denend. Kelburn Great Event is a Constellation grandson and his dam is a by a full brother to Constellation.

At left is Kelburn Clipper Beatrice 5th, the dam of Kelburn Great Event. She was supreme champion over all breeds at Brandon, Man., in 1957. That's her three-fourths sister on the right, Kelburn Clipper Beatrice 6th, that was reserve supreme champion at Brandon the same year.

About Kelburn Great Event

Kelburn Great Event represents a milestone in the development of Shorthorns everywhere and KC is proud to own this magnificent stock bull.

Great Event is sired by a son of the 2,400 pound Calrossie Constellation. He is out of Kelburn Clipper Beatrice 5th, one of the greatest show cows of all time that was supreme champion over all breeds at Brandon, Man., in 1957. She is by Calrossie White Emblem, a full brother to Calrossie Constellation.

In other words, here is the same breeding that produced the magnificent Bapton Constructor and KC has gone one generation beyond Constructor to get it. That's why Great Event will be used on the large number of Constructor daughters and grand-daughters in the herd as well as Glamis Benefactor daughters.

With Kelburn Great Event, KC will intensify the blood and influence of the breeding that has contributed the greatest size and strength-with-quality to Shorthorns and Polled Shorthorns of recent history.

Great Event's record as a sire is well known. Among others he sired Remitall Captain Jim, top-selling bull of the Canadian International Bull sale and stock bull for Melbourne Farm, Big Rock, Ill.; Remitall Baronet, the \$3,500 Denver grand champion owned by Cliff Hill, Salem, Ore.; Remitall Pamela, junior champion of the 1961 Royal Winter Fair now owned by Lewisfield; Remitall Elsie Daisy, 1963 Denver sale champion and top seller to Wilf Miller, Olds, Alta.; Remitall Executive, 1962 Edmonton champion and top seller to John Bell, Spruce Grove, Alta.; Remitall Mascot, 1964 Calgary champion; Remitall Destiny, new stock bull at Mr. and Mrs. T. C. Stuart's Tutira, Arundel, Que. We could go on and on, but you get the idea.

CLIPPER KING OF BAPTON x—Here is a bull that was acclaimed everywhere as one of the greatest Polled Shorthorns ever produced. He is gone now, but his influence will long be with the breed everywhere and KC is proud to have a number of his calves and many cows in calf to him. Clipper King weighed 2,675 pounds as a mature sire and headed the Beef Shorthorn team to show size and substance at the "Off the Grass" demonstration at Harrogate, England. His dam, Bapton Fair Clipper, one of the best females at Bapton, was sired by Calrossie Constellation, the unbeaten male of Britain in 1957. Her dam, Fair Clipper 45th, was the unbeaten female of 1956. She was also the dam of the 1959 Bull of the Year, Bapton Northward Bound. Calrossie Highland Leader was one of Kirkton Baronet's best sons and was used at Millhills. Fair Clipper 27th was a full sister to Millhills Xtra, top-selling bull of his year at Palermo and stock bull for the Messrs. Duggan, Sittyton, Argentina. Coronet Max Leader 3rd x was the Thieman-bred bull selected to start the famous Bapton Polled Shorthorn project. He weighed 2,352 pounds before being exported to New Zealand after three years at Bapton.

LOUADA NUGGET—The \$36,000 record priced Louada Nugget is gone now, but his influence will be important throughout Shorthorns and Polled Shorthorns for years to come. By Bapton Constructor, he best typifies the magnificent head, bone, and character associated with that line of breeding. Nugget was out of Calrossie Iona Ramsden, one of those valued daughters of Calrossie Hyperbole. Calrossie Flossy Beau and Rothes Flower were two of the best producers of stock bulls the breed has ever known. Nugget saw extensive service at KC before his death and sired, among others, the reserve grand champion female of the 1966 National Western Stock Show. Few if any Nugget daughters will leave KC after this production sale.

BAPTON CONSTRUCTOR

KC is particularly proud to have owned Bapton Constructor and to have acquired a large number of brood cows by him that form a basic part of the herd.

Since Bapton Constructor was imported to North America in 1956, his record has grown and grown until it is unparalleled in modern times. Here are a few of the highlights:

Bapton Constructor was purchased at \$45,000 for Louada Manor Farms, Peterborough, Ont. His first daughter sold for \$10,000 in the Bapton draft sale of 1957. A few days later at Louada his first son, Burnton Gordon, sold for \$13,000 to Tutira Farms, Arundel, Que.

The 1958 Louada Sale included his first sons. Louada Bomber brought \$13,000 from H. D. McGowan. Louada Aristocrat sold to W. N. Anderson at \$8,200. Fourteen sons and daughters averaged \$4,659.

A month later at the International, Louada Bomber was grand champion. Louada Princess Colleen was grand champion female; Louada Luxury was reserve champion female! Louada Regalia was reserve junior champion bull. All were by Constructor. In the groups, the Constructors were first and second in both gets-of-sire, won both bull groups, the pair of females class and the best 10 head.

In 1959 Louada Bonaparte sold for \$30,000 to Carlos Duggan of Argentina and the bull later sired Louada Rothes King, stock bull at Louada today. In the 1959 Louada sale the Constructor bulls averaged \$5,378 and his females averaged \$2,424. At the International that year, Louada Cornerstone was reserve grand champion and Louada Luxury was reserve senior champion. Again the Constructor gets were first and his sons won the three-bull group.

At the time of his death, 87 sons had averaged \$4,722 and 52 daughters \$2,338. This did not include the 45 daughters retained at Louada, and the many calves sold in dam or at foot or the offspring at KC, Maclyn, Tutira and Denend.

In March of 1961 Constructor was sold to KC, Maclyn and Denend Pedigree Farm, Scotland. Thus, he became the only bull ever to go back to Scotland from North America. In Scotland he sired, among others, Denend Ragusa, the \$30,000 Perth supreme champion.

These are only a few highlights of the fabulous Constructor saga. His influence on the breed and the KC herd becomes more dominant with each generation. KC is proud to have been a part of this important chapter of breed history.

KC LORD MAYOR—Perhaps one of the best sons of Bapton Constructor anywhere is KC Lord Mayor, junior stock bull at KC. Note his outstanding head, character and bone as illustrated at left. His dam, Lavender of KC, also produced the popular show heifer, Sweet Lavender of KC, Lot 30. Leveldale Lavender 4th was purchased at \$2,500 in the Martin Katter Dispersion. Lord Mayor is destined to play an important role in the future of KC and his get and service are sale attractions.

KC WHITE TORNADO—Retained as junior stock bull at KC, this son of Glamis Benefactor combines much of the breeding that has contributed heavily to the success of the herd. Out of one of the valuable Saltoun females, White Tornado was second to the reserve grand champion at the 1966 International Livestock Exposition, the only time shown. Note the concentration of A. J. Marshall's Cruggleton breeding on the dam's side. Cruggleton cattle were known for their exceptional size, thickness and smoothness and we feel that White Tornado is a prime example of these vital traits.

KC PRINCE REGAL—The best daughter of Bapton Constructor at KC is Princess Margaret of KC, the dam of Prince Regal. She is from the Saltoun Princess Royal tribe that has brought fame and acclaim to all who have owned them. Prince Regal has shown very well throughout the year and headed the undefeated junior get-of-sire at the International, American Royal, Illinois State Fair, Missouri, Kansas and Mid-America State Fairs. His superb individuality and performance are enough to cause KC to retain a one-third interest with the right to collect semen on request.

KC DEMOCRAT — The bulls at KC are not pampered but rather are grown out to be big, rugged sires. This son of Glamis Benefactor and out of an Aldie Kinsman dam is a good example. A strong dark roan, he will be ready for heavy service by spring. His dam is one of the oldest cows in the herd and has been a prolific producer and a good milker. She is the grand dam of KC Kinsman, Lot 11.

KC SAFEGUARD — This powerful young bull is as much like his sire as any son to date. He has the same carriage, style and masculinity together with the great length and thickness that have won world acclaim for the Benefactors. The only time shown he won his class at the Missouri State Fair. His dam, Secret Maxine of KC, is by the \$7,000 Louada Pandean. She is one of our top producers and has a tremendous full sister to Safeguard that can be seen on sale day. Remember, the Secret Maxine tribe has produced more winners for Bill Anderson than any other family he owns.

KC SOUTHWARD BOUND — Born on his way from Calgary, this summer yearling is a son of the strong, white Braeside Resident that has given us a number of our best from the purchase of a large draft from that herd. Resident is a grandson of Burnton Bankbook that was supreme champion at both Perth and the Royal Highland. Beaufort Cup-Tie and Braeside Resident were both ton bulls. His dam is a Saltoun Princess Roma, one of the breed's strongest families. Here is a young sire with great quarter and leg along with the scale and ruggedness to satisfy the most critical.

KC GALLANT HERO — An outstanding young sire, KC retains a one-third interest and the right to collect semen on request. Gallant Hero has already been used on a select number of females at KC, so great is our confidence in him. A good show bull as well, he was junior champion at the Missouri State Fair and grand champion at the Mid-America Fair. Louada Augusta Kate was purchased for KC at \$4,100. She was grand champion at the 1956 Royal Winter Fair and senior champion at the International. She is a full sister to the \$5,700 Louada Augusta Queen. Be sure to see the full brother to Gallant Hero on sale day. He will be a strong contender at the 1967 shows.

KC GALLANT HERO, Lot 7

Bapton Augusta Collette was the record-priced Canadian Shorthorn female when KC purchased her for \$6,500 in the 1964 Louada sale. This daughter of Calrossie Constellation is the dam of Lot 8, KC Aristocrat.

KC WELCOME — Aptly named, this powerful junior calf would be a welcome addition to almost any show herd or stock bull battery. By the undefeated champion of Great Britain, he is from the unchallenged Saltoun Wimple family that has produced scores of stock bulls including Westdrums Wayfarer. KC Welcome is a full brother to Wendy Wimple of KC that was a consistent winner in 1965 and an All-American nominee. A maternal sister sold at \$2,300 in the 1966 Royalty sale to Lewisfield, Charlottesville, Va. Here is a powerful young bull that is backed by the strongest blood of the breed.

KC KINSMAN — Here is undoubtedly the most promising son of Louada Nugget dropped to date. He is young, but has the mark of a real stock bull. Certainly he would make an outstanding spring yearling for the 1967 shows. His dam is a beautiful young female by Bapton Constructor and is from a family that has produced consistently well for the Struves of Iowa. This calf is a line-bred Bapton Constructor with outcrosses through two of the breed's top female lines. Aldie Kinsman was a strong imported son of Calrossie Adonis that sold at a high figure in a former Leveledale sale.

KC SIR LANCELOT — The \$36,000 Louada Nugget was lost recently and few more of his sons will ever be for sale. This is a good one with plenty of size and character from his sire and his wonderful dam, Leveldale Lavender 4th, that KC purchased for \$2,500 in the Martin Katter Dispersion. Here is a bull that has been lot-fed with a number of other young bulls. Nonetheless, he's big and strong and ready to go to work.

“... in my (personal) opinion, Saltoun Rothes Queen 24th is the best Shorthorn female I have seen since I came to North America from Scotland.”

“This is the Saltoun cow that kept pushing me to drawing Mr. and Mrs. Lorenz to Calgary and the Saltouns of Ian Brown in 1963. I was determined that KC should have all the good Saltouns we could find, but this one daughter of Beaufort Cup-Tie in particular.

“The full sister of Saltoun Rothes Queen 24th was the dam of the \$30,000 1964 Perth Champion Denend Ragusa. This family has been very consistent in producing top quality for generations.

“A young bull out of Saltoun Rothes Queen 24th sired by the 2,000 pound Braeside Resident is well worth your serious consideration. He sells as Lot 13.

— GORDON PHILIP

Denend Ragusa was Perth supreme champion and top-seller at \$30,000 for Denend Pedigree Farm. His dam is from the same Saltoun Rothes Queen family that also produced KC Rothes Regal, Lot 13.

KC ROTHES REGAL — Second to the International grand champion bull in class, this exceptional young calf has stood up consistently throughout the year. He was first at the Kansas State Fair and second at the American Royal. His sire weighs more than a ton in pasture condition and is a grandson of Burnton Bankbook, the Perth and Royal Highland Supreme champion. Saltoun Rothes Queen 24th is definitely one of the top cows of this or any breed. Other Rothes Queens have produced such famous sires as Denend Ragusa, the \$30,000 Perth champion; Kirkton Hercules; Bapton Controller; Calrossie Hyperbole, and Louada Rothes King. KC retains a one-third interest with the right to collect semen on request.

KC CHIEFTAIN — More and more breeders are talking about the need for trim “red meat” bulls that still have the thickness of loin and quarters so essential in the beef cattle industry. This strong summer bull will satisfy those requirements. His dam is one of those valuable Saltouns by Beaufort Cup-Tie and several daughters of hers are retained including the many-times-champion Queen Margaret of KC.

KC RAMSDEN LEADER — If you study pedigrees, here's one of the best. By Glamis Benefactor, sire of the undefeated get-of-sire of 1966, Ramsden Leader is out of one of KC's most-prized Saltoun females. He is a full brother to Miss Ramsden of KC that was grand champion of the Missouri, Kansas and Mid-America State Fairs and reserve champion at the American Royal and Illinois State Fairs before standing second to the reserve junior champion at the International. She sells as a special attraction as Lot 15. Saltoun Miss Ramsden 11th is a beautiful, middle-of-the-road cow that has produced many other of KC's best including a \$3,000 son that now heads the herd of S. E. Severson, Sheldon, N.D.

KC Shorthorns

**Could You Buy
Females Like These?**

A full sister to the 1965 International reserve junior champion female

A Calrossie Rosewood by Calrossie Hyperbole himself

The reserve grand champion of the Kansas State Fair

13 daughters of Glamis Benefactor

Four Benefactor daughters out of Saltoun cows

Three daughters of the \$10,000 Louada Pibroch

A daughter of the AAA Kelburn Silver Coin

The Houston junior champion female

Never before has such a dazzling array of Shorthorn female strength been offered. And . . . as an added bonus . . . they carry the service of Glamis Benefactor, Kelburn Great Event, and the other great KC stock bulls.

Calrossie White Emblem, the sire of Kelburn Flossy Goldie, Lot 17, must rank as one of the greatest stock bulls of all time. He is a full brother to Calrossie Constellation and Calrossie Triumphant.

Kelburn Silver Coin is a full brother to Kelburn Flossy Goldie, Lot 17. This yearling picture does not do justice to a magnificent AAA bull.

KELBURN FLOSSY GOLDIE

One of the Most Valuable

KELBURN FLOSSY GOLDIE — Grand champion of the Royal Winter Fair and an All-American! When she was purchased, we never dreamed she would ever leave KC and only was catalogued after much insistence by the sale manager, who, like we, wants to make this first sale a memorable one. This grand cow is one of the best we have ever seen anywhere in any breed. We ask that you pay close attention to the pedigree. She weighs over 1,300 pounds on pasture and has raised an excellent calf each year. All of them are being retained. She is by the magnificent Calrossie White Emblem that was a full brother to Calrossie Constellation and Calrossie Triumphant. Both weighed more than a ton and won top honors whenever shown. But more important they were two of the greatest stock bulls the breed has even known. Calrossie Flossy Beau, the dam of Calrossie White Emblem, was a noted producer of stock bulls in Scotland. For the complete history of this great cow see page 82 of the 1964 Herd Bull Number of The Shorthorn World. The dam of Kelburn Flossy Goldie was purchased by Claude Gallinger at \$2,000 at ten months. She was by Calrossie Good News, that we consider one of the best breeding bulls in history. The AAA Kelburn Silver Coin is a full brother to this beautiful female. She sells bred to Kelburn Great Event. KC would like first chance to purchase the calf, should it be for sale.

Females Ever Offered!

Kelburn Flossy Goldie is shown above winning the grand championship of the Royal Winter Fair. She sells as Lot 17.

KC Owns the Largest Collection of Saltoun Females in the World. Four Sell!

From left above are: Fontana Clipper 2nd, the dam of Clipper Colleen of KC, Lot 43; Saltoun Queen Marie 10th, Lot 20; and Saltoun Queen Clara 8th, Lot 19.

No group of females has produced more stock bulls that, in turn, have had such a far-reaching effect on the breed as the Saltouns. Just a few of their sons include the \$30,000 Perth supreme champion Denend Ragusa; Denend Glen Lake, champion of the Royal Highland; Louada Rothes King, sire of the top sale saddle in the U.S. since 1963; Kirkton Hercules; Bapton Controller, Perth supreme champion, and dozens of others.

Of the 76 females included in the sale of the Saltoun herd in Scotland, KC has gathered together 24 cows. Daughters of Saltouns by Bapton Constructor, Louada Nugget, Glamis Benefactor, and now, Kelburn Great Event, constitute a good portion of the KC breeding herd.

Stock bulls used at Saltoun since 1945: Cluny Ark Royal, Pittodrie Landmark, Chapleton Royalist, Calrossie Good News, Easterlovat Gregalach, and the great Beaufort Cup-Tie, a son of Cruggleton Guthrie.

Fully half of the Saltouns at KC are by the \$18,000 Calrossie Good News, or the \$13,500 Beaufort Cup-Tie.

Not \$250,000 would tempt us to sell this irreplaceable group of Saltoun females and their daughters. Yet, it is our judgment that the group would be a bargain for any serious-minded breeder who wanted to produce top Shorthorn cattle.

Beaufort Cup-tie, the \$13,500 stock bull at Saltoun, sired scores of breed-building females. Saltoun Princess Roma 17th, Lot 18, is a daughter.

SALTOUN PRINCESS ROMA 17th—Strictly imported and strictly top-notch is this daughter of Beaufort Cup-Tie himself. This is the kind of cow anyone would be proud to own and we hate to part with her. We do so only because the sale manager insisted that she become a special sale attraction since KC owns more Saltouns than anyone in the world. Few females living today combine as much Cruggleton breeding as does this one. Note the valuable crosses, Cruggleton Guthrie and Cruggleton Braemar, Cruggleton Willingdon and Cruggleton Pentland Firth. Stock bulls of size, substance and exceptional thickness all. The A. J. Marshall Princess Roma family is among the breed's oldest and most historic. One year at the International the first four senior heifer calves all descended from this line. Each was shown by a separate herd. We cannot say enough good things to recommend this outstanding female. Her bull calf at foot is being retained. She sells bred to Glamis Benefactor.

SALTOUN QUEEN CLARA 8th—The Saltoun herd probably produced more dams of world famous stock bulls than any other in Scotland. This is an excellent representative of one of their best lines. Two daughters are retained in the herd or we would never part with this cow. Sons are being used by Leroy Andes, Mound City, Mo., and E. Mitchell, El Dorado, Kan. Remember that Tolquhon Pole Star is also the sire of the dam of Louada Rothes King, senior stock bull at Louada. Tolquhon Princess Dolly, the dam of Tolquhon Pole Star, is from the same family as Tolquhon Dazzling Princess, International grand champion female. Calrossie Good News was an outstanding sire of both bulls and females. Cruggleton Perfect adds lustre to any pedigree in which his name appears. Some breeders will not buy a stock bull unless he traces in at least two lines of his pedigree to Cruggleton Perfect. This hard-working cow will only be presented in every day clothes, nursing a calf by KC Lord Mayor. She is rebred to Glamis Benefactor, undefeated champion of Great Britain, since Nov. 8, 1966, examined safe.

SALTOUN QUEEN MARIE 10th—Here is a big, strong cow that produced a son that weighs over a ton in breeding condition for Paul Schrag and Son, Marion, S.D. A daughter went to Royalty Farms as a foundation female. Study this concentration of Beaufort Cup-Tie and Calrossie Good News breeding. This female combines two of the breed's greatest female lines—the Saltoun Wimples and the Saltoun Queens of Rothes. With exceptional scale and the trimness and beef making qualities that are so essential, we consider this among the very best of modern type Shorthorn cows. She has a grand bull calf at foot by Louada Nugget born Christmas day.

SALTOUN QUEEN MARGARET 14th, Lot 21.

SALTOUN QUEEN MARGARET 14th—Much could be written about this excellent female. Tolquhon Pole Star bred beautifully in the Saltoun herd and sired, among others, the dam of Louada Rothes King. Pole Star's dam, Tolquhon Princess Dolly, was herself a Perth champion and is from the same family as the International grand champion Tolquhon Dazzling Princess. Beaufort Cup-Tie is known world over as a sire of outstanding females that have gone on to produce mighty stock bulls. The Queen Margarets at Saltoun, KC and Louada have written new volumes of breed history. Two daughters are retained at KC including her most recent, or this one would never be for sale. A son heads the McLaughlin herd at Muscotah, Kansas, for which he was purchased at \$2,000. Queen Margaret 14th sells bred to Glamis Benefactor.

SECRET LILLY OF KC, Lot 22

The International Junior Champion Sells!

SECRET LILLY OF KC — Only as a special sale attraction do we reluctantly part with the 1966 International junior champion female. She also won her class at the American Royal and made reserve junior champion to her stall-mate, Miss Ramsden of KC, that also sells as Lot 23. The pair was unbeaten at the American Royal as well as the Illinois, Missouri and Kansas state fairs and was second at the International. Secret Lilly also headed KC's undefeated junior get-of-sire for 1966. Her dam, W L Secret Maxine 13th, sells as Lot 44. She has produced well and has founded a line of beautiful females in the herd. She is also the dam of the second-prize American Royal bull that now heads the herd of Peter Bauman, Strasburg, N.D. Bred to Kelburn Great Event since Nov. 8, 1966, and is examined safe in calf. The resultant calf almost has to be a winner. KC would like first chance to buy that calf should the new owner wish to sell.

Miss Ramsden of KC, Lot 23, and Secret Lilly of KC, Lot 22, at left, were undefeated pair of females at the Illinois, Kansas, Missouri and Mid-America State Fairs and the American Royal. The pair was second at the International Livestock Exposition and both sell!

Miss Ramsden of KC is shown here as reserve grand champion female of the American Royal. She was also reserve grand champion of the Illinois State Fair and grand champion of the Kansas, Missouri and Mid-America State Fairs. She sells as Lot 23.

*The American Royal Reserve Grand
Champion Female Sells!*

MISS RAMSDEN OF KC — Here is a rare opportunity to secure one of the top females to be offered this year or any other year. She is a great show heifer but she will make an even better brood cow, the kind that certainly will produce top bulls in any herd. She is well along now in calf to the massive Kelburn Great Event, and KC would like the first chance to buy the resultant calf should the new owner wish to sell. Saltoun Miss Ramsden 11th is one of the top females in the KC herd and one of the best individual producers. A full brother to Miss Ramsden of KC, KC Ramsden Leader, sells as Lot 15. Another brother heads the herd of S. E. Severson, Sheldon, N.D. Miss Ramsden was reserve grand champion at the American Royal and Illinois State Fair, and grand champion at the Missouri, Kansas and Mid-America Fairs. She stood second at the International Live Stock Exposition and was a member of KC's pair of females, undefeated except at Chicago where they were second. In calf to Kelburn Great Event since August 29, 1966, and examined safe.

Queen Margaret of KC was undefeated wherever shown in 1963. She was grand champion of the Missouri, Kansas and Nebraska State Fairs. She is the dam of Lot 25, Queen Margaret of KC 6th.

Princess 10th of KC won her class at the 1966 International Livetsock Exposition for Penn State after being reserve junior champion female there the year before for KC. She is a full sister to Lot 26, Princess Ruby of KC.

A Full Sister to the International

Reserve Junior Champion Female Sells!

PRINCESS RUBY OF KC — Never again will KC offer as many daughters of the fabulous Saltouns. This is one of the best. An outstanding daughter of Saltoun Princess Ruby that is a paternal sister to the dam of the well-known Louada Rothes King. Her full sister is Princess 10th of KC, the 1965 International reserve junior champion female that was later sold to Pennsylvania State University. This year, under Penn State colors, Princess 10th of KC won her class at the International. Earlier she was reserve senior champion at the Pennsylvania National. A maternal half-brother, KC Control, sold for \$6,000 to Fred and Corrie Tilden, Winter Garden, Fla. He is pictured on page 93 at three years of age weighing well over a ton in pasture condition. This beautiful young female sells open.

WILL O' BEAUTY OF KC, Lot 34.

Calrossie Hyperbole was one of the outstanding breeding bulls in Scotland of his day. Lot 35, Calrossie Freena Rosewood, is one of the few daughters available for sale anywhere in the world.

*Selling a Daughter of Calrossie Hyperbole
Imported from Calrossie.*

CALROSSIE FREENA ROSEWOOD— Few females from the historic Calrossie herd are for sale these days, and there are almost none available by Calrossie Hyperbole himself, 20 of whose sons averaged \$5,055 at Perth. Calrossie Freena Rosewood has been an excellent producer. A daughter sold in the 1966 Royalty sale at a high figure. Her 1966 calf is retained in the KC herd. This year she is bred to Clipper King of Bapton x and should have a calf on the ground by sale day.

LOUADA PRINCESS PEARL—Imported females are hard to come by these days and this daughter of Bapton Princess Pearl and Glamis Benefactor is one of the best. Her dam is a full sister to Bapton Toreador, the \$5,000 top of the Canadian International Bull Sale that is now in service at Mains Farm, Poulsbo, Wash. Bapton Brave Robin was easily the best bull of his year at Perth and bred well for both Bapton and Denend. Louada Princess Pearl is a nice young cow that has an outstanding daughter also selling as Lot 33. She is in calf to Clipper King of Bapton x and is due February 13, 1967. Here will be a valuable calf on which KC would like first refusal.

From left are Queen Margaret 6th of KC, Lot 25; Princess Mayflower 4th of KC, Lot 36; Lady Victoria 7th of KC, Lot 32, and Rothes Shamrock of KC, Lot 31.

NONPAREIL ALICE OF KC—This good heifer has never been pushed or received any additional milk but grown up the hard way out-of-doors. Her dam is an imported daughter of Burnton Skybolt, a full brother to Burnton Bandolier, stock bull at Calrossie. Glamis Benefactor, Kair Masterkey and Crichton Buzzard were all Perth champions, and Calrossie Diadem sired four consecutive Perth supreme champions and/or top-selling bulls for Robert M. Adam. This heifer sells open.

W L SECRET MAXINE 13th—Seldom has any female been sold with so much to recommend her. W L Secret Maxine 13th is the dam of Secret Lilly of KC, the tremendous show heifer that was International junior champion to complete a highly successful 1966 show season, and a member of KC's undefeated junior get-of-sire. The cow herself was grand champion of the Iowa State Fair when shown by Bill Anderson of West Liberty. Her oldest daughter is retained in the herd and is one of our better producers. Her son, KC Safeguard, won his class at the Missouri State Fair and sells as Lot 3. Another son was second at the American Royal and heads the herd of Brown Fries, Mound City, Mo. Another son heads the Peter Bauman herd, Strasburg, N.D. The cow herself is rebred to Louada Nugget and is due to calve August 5, 1967. Wherever she goes we can predict an outstanding future for her.

NORTHWOOD BLOOD ROYAL 3rd—It is doubtful if many daughters of Bapton Constructor will ever be offered from any herd. They are true collector's items for the people who own them, not only for their own individuality and for the great calves they produce. KC was fortunate to own this great sire and has a large number of Constructor females. Even so we are reluctant to give up this one. Blood Royal cows by Bapton Constructor are responsible for some of the best cattle bred at Louada Manor Farms. Louada Royal Leader, their junior stock bull, is only one example. The dam of this cow sold from Louada as a foundation female to the Northwood herd at \$5,000. She is by Calrossie Armada that is responsible for laying the great foundation at Louada on which today's powerful herd has been built. Northwood Blood Royal 3rd sells bred to the magnificent Kelburn Great Event and is due February 10th.

The \$6,000 KC Control is pictured on pasture in the Fred and Corrie Tilden herd, Winter Garden, Florida, where he is senior stock bull. Control matured at well over a ton. Here is an example of the size and stamina KC is breeding into its Shorthorns and Polled Shorthorns.

From left are Broadhooks Pride O 2nd of KC, Lot 48; Violet Rose of KC, Lot 49;

VIOLET ROSE OF KC—A powerful show heifer, she was reserve grand champion of the Oklahoma State Fair and first in class at the Nebraska and Kansas state fairs. Louada Orange Trinket was purchased at \$4,200 from Louada Manor Farms carrying the service of Leonard Buck's International reserve grand champion Louada Cornerstone. The resultant calf, KC Cornerstone, was a successful sire here until his untimely death. The Violet family from N-Bar has made an enviable record for all of those lucky enough to own him. Mains Violet easily weighs more than 1,400 pounds on pasture and has been an excellent producer. There are several Violets in the herd and they have written breed history for Bill Anderson, West Liberty, Iowa. This one sells bred to Glamis Benefactor, the undefeated supreme champion of Great Britain.

LOUADA ROTHES SAMBA—Here is a member of the same Queen of Rothes family that produced the \$30,000 Denend Ragusa that was Perth supreme champion; Louada Rothes King, Kirkton Hercules and so many other world famous stock bulls. Louada Fusilier is herd sire for Ed Hoyt, Aurora, Colo. Remember too, that Kinellar Royal Robin sired many of the best at Louada and most of the highly successful 1965 Royalty Farms show herd. In calf to Glamis Benefactor, the undefeated supreme champion of Great Britain. Due July 26, 1967. Examined safe in calf.

From left are Lone Star Cleopatra, Lot 50; Louada Rothés Samba, Lot 51; Sweet
Lavender of KC, Lot 30, and Queen Margaret 6th of KC, Lot 25.

LADY VICTORIA OF KC—Here is one of those wonderful cows that raises an outstanding calf each year. A nice yearling daughter sells as Lot 32 and her most recent calf will be a strong contender on the 1967 show circuit. Yet another calf sold among the tops in the 1966 Royalty Farms sale. There are not many Tolquhon Victorias in the United States today. But those we know of are good ones. Here is a cow we are proud to offer and recommend highly. She is due to calve March 10, 1967, to Kelburn Great Event.

Lot 53**Female****BONNIE BELLE 2nd OF KC 3158-510**

BONNIE BELLE 2nd of KC—Few more daughters of the \$36,000 Louada Nugget will ever be sold from the KC herd. This is a good one that we offer with particular pride. KC Balmoral is out of a full sister to the dam of this heifer. He was sold recently at a strong price to the herd of H. L. and P. N. Smith in Florida. Mains Bonnie 2nd is one of the top cows of the breed and has an outstanding son by Glamis Benefactor that will be in the show herd next year. Bonnie Belle 2nd of KC has a bull calf by Glamis Benefactor at foot.

LOUADA ROTHES ELAINE—Kinellar Royal Robin was stock bull for both Louada Manor Farms and Royalty Farms and served each herd successfully. We have retained several daughters of this cow and they are producing well. A son sold for \$2,500 to South Dakota State University. Another went to L. E. Flanagan of Oklahoma at \$1,500. Louada Rothes Elaine is a good mother and heavy milker. She sells in calf to the magnificent Kelburn Great Event and is due April 5. Examined safe. This is a dependable, hard working female.

	Chapelton Crusader White, Walter Biggar & Son Tolquhon Lady Victoria 3d Red, John L. Sleigh

WESTMERE PRIMROSE—This female was definitely one of the hardest for us to part with. Her size, depth and thickness make her one of most admired brood cows. Her polled bull calf at foot is being retained for possible herd bull duty. Somewhat mis-named, she is a member of the reliable Tolquhon Victoria family that produced long and well in Scotland and for Femco Farms. The concentration of Cruggleton breeding—Cruggleton Assheton, Cruggleton Roeside, Cruggleton Prince Bob—add lustre to an already notable pedigree. Bapton Upright was the sire of the famous world's record priced Pittodrie Upright. Here is an outstanding individual with a special pedigree a bit different in modern Shorthorn breeding. She is in calf to Glamis Benefactor, the undefeated champion of Great Britain, since Oct. 23, 1966, examined safe.

KELBURN CROCUS 36th—Few Kelburn Crocus females have ever been offered. There is an outstanding pair in this sale, which some knowledgeable breeder should buy to found this great family in his own herd. Kelburn Crocus 36th is by the big Scotsdale Trooper that is by the very popular 2,300-pound Scotsdale Navarre that also sired Scotsdale Welfare, new stock bull at Louada Manor Farms and Allwood Plantation as well as Scotsdale Waterloo, new stock bull at Rothney Farms. Kelburn Silver Coin was a AAA son of the tremendous sire, Calrossie White Emblem. S. G. Bennett's Calrossie Prefect was 1952 Perth supreme champion. Bapton Copyright was one of the best bulls of his day and is the sire of KC's own Kelburn Great Event. Sells bred to KC Lord Mayor.
